## What is Unmanned Security Expo @ ISC West?

The Unmanned Security Expo is a dedicated UAS & UGV event located right on the ISC West exhibit floor, ensuring that participants interact with and reap all the benefits of the complete ISC West audience. Unmanned Security Expo includes exhibits and education, as well as demos of the best UAS, UGV and drone detection equipment on the market. Unmanned Security Expo will take place within the LARGEST physical security trade-show in North America, with a guaranteed audience of over 30,000 physical security professionals.

## What Makes Unmanned Security Expo @ ISC West The Perfect Platform?

**NEARLY  
75%**

Of ISC West Attendees expressed interest in the changes to security applications for UASs / UGVs

**NEARLY  
70%**

Of ISC West end-user attendees have plans to integrate autonomous technology into their security strategy in the upcoming year

**NEARLY  
10,000**

ISC West Attendees are interested in sourcing unmanned technology products

## Who Should Exhibit?

- Aerial Platforms
- Autonomous Systems
- Counter-UAS/Drone Detection
- Capture and Recovery
- Components & Parts
- Drone Applications
- Data Services
- Drone/UAS Manufacturers & Distributors
- Education/Licensing Providers
- Ground Robotics/UGV Manufacturers
- Legal Services/Insurance
- Storage & Charging
- Software Suppliers

## PARTICIPATING & PREVIOUS EXHIBITORS:

Advanced Protection Systems | Airspace Systems | Apollo Shield | Aptonomy, Inc | Autel Robotics | CI Design | COBALT ROBOTICS | Convexum | DEDRONE | Deepcam | Detect Inc | D-Fend Solutions | Drone Nerds | Drone Volt International | DSN Services (Hologarde/Cerbair) | Electro Optical Industries | Fortem Technologies | Ghost Robotics | Hoverfly | Knightscope, Inc. | Magos Systems | Make Em Move Manufacturing | Nightingale Intelligent Systems | Quanergy Systems | Robotic Assistance Devices | SCI Technology Inc. | SpotterRF | Thermal Imaging Radar | Trackimo | Turing Video | Yuneec
