Join the USA Pavilion!

WHY BE PART OF THE USA PAVILION?

USA Pavilion design subject to change

- You're a USA-based company or organization interested in **gaining global exposure** for your sustainable solutions
- **Promote solutions to policymakers and politicians** as well as buyers
- Take advantage of a **USA-themed booth** package at a **special price**
- The U.S. Commercial Service will **assist** USA companies on-site at La Galerie
- Access to USA **Pavilion lounge** and meeting area
- Receive daily **briefings on COP21**
- **Speaking opportunities** available to showcase new products and services through panel sessions

WHY PARTICIPATE IN LA GALERIE?

- **La Galerie is the official exhibition** of low carbon solutions located next to **COP21**
- Be part of the most international, sustainable solutions event of the year
- COP21 aims to finalize an agreement that commits all countries to reducing their greenhouse gas emissions
- More than **20,000 visitors** expected, including: UN delegates, representatives of state and economic decision makers, politicians, researchers, clean tech industry professionals, and experts.
- To learn more about La Galerie, please visit: www.world-efficiency.com/GB/La-Galerie.htm
